JOYFUL, JOYFUL WE ADORE YOU

1. Joyful, joyful, we adore you, God of glory, life and love;
2. All your works with joy surround you, earth and heaven reflect your rays,
3. You are giving and forgiving, ever blessing, ever blest,
4. Mortals join the mighty chorus which the morning stars began;

hearts unfold like flowers before you, opening to the sun above.
stars and angels sing around you, centre of unbroken praise.
well-spring of the joy of living, ocean depth of happy rest!
God’s own love is reigning o’er us, joining people hand in hand.

Melt the clouds of sin and sadness, drive the gloom of doubt away;
Source of grace and fountain of blessing, let your light upon us shine;
Ever singing, march we onward, victors in the midst of strife;
giver of immortal gladness, fill us with the light of day.

chanting bird and flowing fountain, sound their praise eternally.
joyful music leads us onward in the triumph song of life.
